HOW TO BUILD WEALTH IN AN AGE OF UNCERTAINTY, PLUS
THE 10 STEPS TO MAKE YOUR KID A MILLIONAIRE

New York, NY (June 8, 2011) – The latest issue of Forbes offers advice on building wealth in an age of uncertainty in its June **Investment Guide** (p. 63), including the cover feature, “**The 10 Steps To Make Your Kid A Millionaire**” (p. 64). The report offers advice on lowering property taxes, buying bargain-priced retirement villas, plus college savings and life insurance strategies, and best buys in commodity and tech stocks. Other highlights include:

- **Protect Your Tail** (p. 74) – Mark Spitznagel’s black swan fund hedges against horrific events that tend to decimate portfolios.
- **Going, Going, Gone** (p. 78) – Whether you’re downsizing, helping a parent move or handling an estate, some tips to get rid of excess stuff.
- **Dancing With Deficits** (p. 84) – How to prepare for Social Security and Medicare cuts if you’re nearing retirement.
- **Shut Up And Invest** (p. 86) – The best no-load mutual fund you’ve never heard of.
- **Tech On The Cheap** (p. 90) – If you like tech stocks but hate how they’re priced, consider chip stocks.
- **ObamaCare Portfolio Picks** (p. 92) – Healthcare inflation is coming. Profit from these money-saving firms.
- **Buy Now, Retire Later** (p. 98) – This is a great time to pick up a future retirement home at a bargain price.
- **Talking Down Your House** (p. 102) – Nine steps to take to trim your property taxes.
- **The Marriage Trap** (p. 110) – Before you sign a joint tax return, consider the consequences – and these IRS horror stories.

ALSO IN THIS ISSUE:

The Honeymooners (p. 140) – The coupling of AOL and The Huffington Post looked like a big coup for AOL’s Tim Armstrong. But shareholders may wish they had gone their separate ways. This piece is live at: <http://blogs.forbes.com/jeffbercovici/2011/06/07/aol-after-the-honeymoon/>

Cosmic Landlord (p. 146) – Real estate developer Robert Bigelow made a fortune building affordable housing on Earth. He believes mankind’s future is in outer space, and he’s betting big on getting there; with a look at his high-tech, low-cost inflatable space habitats, in “**Blow-Up Bungalows**” (p. 158).
